- Prorated Tanaina tuition based on days enrolled
- **Lunch included**

Call Tatiana at 786-1339
for further details

Tanaina's experienced certified teachers lead a group of school-age children (two teachers per 12-14 children) into summer exploration of the natural world around us. Children will be learning basics of ecology, gardening, natural history, Alaska animals and much more through everyday field trips to various parks, lakes, botanical gardens, museums, and other exciting location. All daily activities will incorporate art/craft activities, reading, interactive games to support children's learning and discoveries. *Tanaina CDC is open from 7am-6pm (No pre and after care fees are necessary). Cost per week: \$216.25 (full 5 days) or 865.00 per month. You may choose to register your child for 2, 3, or 4 days per week: your tuition will be prorated according to Tanaina's established fees.*

NO registration Fees

Transportation by public buses
